RUSH COUNTY FAIR GENERAL INFORMATION

www.rc-fair.com

FAIR DATES - August 2 - August 5, 2023

EXHIBIT RELEASE - All exhibits will be released at 9 pm on Saturday, August 5, 2023. Please do not remove exhibits until the release time.

All entries will be under the care and control of the Rush County Agricultural and Fair Association, Inc. (RCAFA) and while due care and caution will be exercised for their safe keeping, neither the RCAFA, its officers, agents or employees will be responsible in any case of loss, injury or damage that may occur. The management will adequately police the grounds, but the RCAFA will not be responsible for loss, theft or damage of personal property on the grounds. Correspondence on all matters pertaining to the fair will receive prompt attention from either the secretary or department superintendent(s).

In case of inclement weather, events scheduled for the day may be postponed and/or cancelled and premiums may be prorated at the discretion of RCAFA.

RCAFA reserves the sole and absolute right to construe its own rules and regulations and to determine arbitrarily all matters of rule.

NO DOGS ARE ALLOWED ON THE FAIR GROUNDS except service dogs or those entered in competition.

Special Awards

RCAFA does allow the donation of special awards in addition to the general premiums awarded in Open Class and 4-H competitions. All special award donations must be approved by RCAFA no later than the May meeting of the current year. Special awards not approved by the May meeting cannot be awarded in the current year and will not be considered until the following year. Special awards must be presented at the conclusion of the event either by the donor or a designated representative unless prior approval is given to RCAFA. See individual departments for special awards and description.

OPEN CLASS GENERAL RULES

1. Any resident of Kansas may enter in the Rush County Fair.
2. **Age is determined as of January 1, 2023.**
3. Exhibitors in all Departments will be divided into the following divisions: **Junior** = 10 & under
Youth = 11 to 18 **Adult** = 19 to 64
Senior = 65 & OVER
Professional = Those who are teachers of a specific skill and/or have been paid for their products, services and/or knowledge.
4. Pre Entry available online through fairentry.com Or Day of Entry at stations throughout the buildings.
5. Exhibitors may enter 2 exhibits in each class unless otherwise stated. All animals and articles exhibited for premiums must be recorded in each department.
6. Entries must be produced by the exhibitor. Articles produced within the past 4 years may be entered, however, **articles previously entered in open class at the Rush County Fair are ineligible.**
7. Only 1 blue and 1 red and 1 white (if given) ribbon will be awarded in each class. The blues in each section are used to determine the Champion and Reserve Champion in each department. Each department will award a maximum of two Champions and two Reserve Champions from first place class winners. The competition for one Champion and Reserve Champion will be among the combined entries in the Junior and Youth Divisions. The other Champion and Reserve Champion will be awarded from the Adult, Senior and Professional Division entries as a combined competition unless otherwise noted in a specific department.
8. Any resident of the State of Kansas may exhibit in the Open Class division of the Kansas State Fair. Exhibitors DO NOT need to qualify at the county level to exhibit at the state level, however, ALL Kansas State Fair entries must be pre-entered. See www.KansasStateFair.com to download an exhibitor handbook and entry form. It is the responsibility of the exhibitor to enter the correct size and/or quantity required for display.
9. When there is no competition, articles will be awarded first, second, third or none at the discretion of the judge.
10. PREMIUMS-Unless noted in specific departments, placings and premiums in each class are as follows:
First-\$3 Second-\$2 Third-\$1

Ribbons will be given to the Pee Wee Class.

Ribbons may be collected at the Fair Office at time of premium payment.

11. Premiums will be paid in cash at the Fair Office from 6:00 - 9:00 p.m. on Saturday, Aug. 5. Checks will not be written or mailed for any unclaimed premiums less than \$10.
12. No premium will be paid on animals or exhibits removed from the fairgrounds before the close of the fair without the permission of the Department Superintendent. Owners of premium stock refusing to exhibit at the time indicated on the program forfeit the premium award.

OPEN CLASS LIVESTOCK GENERAL RULES

Premiums- Beef First \$25 Second \$15 Third \$10

1. Any recognized breed will be eligible to show.
2. Each individual animal may be entered in only one class as a single, one of a herd, flock, group or pair. A 4-H animal may enter open class in the appropriate class. 4-H bucket calves may not enter open class breeding classes.
3. Bedding will be provided by the Fair Board as needed for beef, swine and goats. Sheep exhibitors may want to provide bedding for their exhibits. A maximum of 4 animals per pen allowed.
4. Any exhibitor not caring for their animal will be given 3 warnings, then the animal will be sent home and premiums forfeited.
5. All animals entered for exhibition will be subject to inspection by RCAFA and/or its representatives and shall be free of clinical signs of infections or contagious diseases. Any animal deemed unhealthy according to the RCAFA Animal Health Requirements will be refused admittance to the fair grounds.
6. Livestock competition will be shown in different breeds if three animals of one breed are entered in a class. Breeds will be shown together if less than three animals of one breed are entered.

OPEN CLASS AND 4-H ANIMALS

HEALTH REQUIREMENTS

GENERAL REQUIREMENTS

All animals are subject to examination by the exhibition staff or their representatives, and shall be free of clinical sign of infectious or contagious disease. **Health certificates and additional requirements shall be a county option.**

CATTLE AND BISON—The Kansas Animal Health Department (KAHD) requires no test on cattle and bison of Kansas origin. Cattle determined by RCAFA to have lesions of ringworm, warts or infested with mange will not be permitted to exhibit.

SWINE—Swine originating in Kansas must meet the general requirements. Kansas has obtained Stage V status in the National Pseudorabies Program and the state is classified free of swine brucellosis. **A negative pseudorabies and brucellosis test are not required for Kansas origin swine.**

SHEEP—In addition to the general requirements sheep shall: be free of any signs of "sore mouth", be free of signs of active fungal (ringworm) infection, including club lamb fungus. All sexually intact (ewes & rams) and wethers must be identified with an official USDA premise ID tag. Lambs, under 8 weeks of age, accompanying their dams are exempt from tagging requirements.

GOATS—Goats shall meet the general requirements. Goats determined by exhibition staff to have sore mouth, lesions of ringworm, warts or infested with mange will not be permitted to exhibit. All sexually intact (does & bucks) and wethers must be identified with a registered tattoo or an official USDA premise ID tag. Kids, under 8 weeks of age, accompanying their dams, are exempt from identification requirements.

HORSES—Horses shall meet the general requirements. A negative test for Coggins & West Nile Virus is recommended but not required.

POULTRY—All poultry, except waterfowl, must show proof that they are pullorum-typhoid clean by one of the following methods.

* Present an official VS 9-2 Form, signed by an official testing agent showing the entries have had a negative pullorum-typhoid test within the preceding 90 days.

* A VS 9-2 Form must be completed for each entry. If any birds in an entry test positive for pullorum-typhoid, the entire entry as well as all other birds from the same premises will be refused.

RABBITS—Any rabbit having a white nasal discharge, noticeable eye discharge, mange or scurvy condition with flakes resembling dandruff, or infestation by mites, fleas or lice, will not be allowed to show and will need to be immediately removed from the fairgrounds.

OPEN CLASS FOOD PRESERVATION

Superintendents: Jane Goodheart, Nada Wells

Quality Criteria

1. FILLED JAR

* Headspace must correspond to instructions on the jar and lid packaging or the reference guides listed. The top of the finished recipe or liquid covering produce should provide adequate headspace as stated in approved guidelines.

* Air bubbles must be kept to a minimum. Gas bubbles denote spoilage; they are identified by movement of bubbles to the surface of the product while the jar is stationary.

* Bands should remain in place to transport preserved food. Remove bands carefully to determine if the headspace is correct. Replace bands for product display.

2. HEAT PROCESS

* Methods used to heat process foods must comply with current preserving guidelines as stated in the approved reference guides. The boiling water process for acid foods and steam pressure process for low acid foods are the only recommended methods to heat process foods for shelf

storage.

*Times for heat processing preserved foods correctly vary depending on each specific recipe or food type. Processing times must be in agreement with those listed in the approved reference guides.

3. PRODUCE APPEARANCE

*Produce should be free from blemishes, stems, pits and peels. Some recipes may state stems, pits and peels are not removed, this is acceptable if the recipe is in keeping with all other preserving guidelines.

*Liquid must be clear and free from cloudiness and small particles unless there are ingredients added to the recipe that would naturally affect its clarity.

*Color of the finished product should be as close to its natural characteristics as possible or standard for cooked product.

*Texture is affected by heat processing; however, the finished product should not appear over cooked or break down.

*Ingredients should retain their shape and size based on the type and preparation method. Cut pieces, of uniform size, should be packed evenly in the jar yet allow adequate room for liquid to circulate throughout the jar.

2023 Special Contests:

Largest Zucchini Contest:

Grow the biggest zucchini in Rush County!

Weight and length will both be considered. Entries will be taken 8-10 am, Wednesday, August 2nd, in the 4-H building. Entrants may enter more than one item.

RUSH COUNTY 4-H GENERAL RULES

1. Open only to enrolled 4-H members of Rush County. Must be enrolled in the project area to be able to compete. Exhibits must be the result of current project year work.
2. Age is determined as of January 1 of current year. Members who are 7-12 years old compete in the Junior Division unless otherwise specified. Members who are 13 years old and older compete in the Senior Division unless otherwise specified.
3. CLOVERBUD RULES - The Cloverbud Program is available for 4-H members aged 5 and 6 years old. Cloverbuds is an activity based program, not project based, and therefore will not receive any premiums for entries. However, they will participate in consultation judging and be awarded a Cloverbud ribbon. They will be allowed a maximum of 6 entries total in the fair.

Cloverbuds are allowed to show pets from the following list: Amphibians (frogs, toads), Ant farms, Cats, Dogs, Fish, Gerbils, Guinea Pigs, Hamsters, Mice, Parakeets, Rabbits, Rats

If a Cloverbud member turns seven years old prior to the opening day of the Rush County Fair, August 2, 2023, the member may participate as a full 4-H member. In such cases, the child must pre-enter as a 4-H member and not as a Cloverbud in order to receive fair premiums. Food items entered by Cloverbuds can be sold at the Food Auction and can receive 90% of the proceeds. Cloverbuds will need to present their food item at the auction to receive their proceeds.
4. Food Auction will be held on Wednesday, August 2nd, starting at 5:30 pm. If applicable, 4-H'er must abide by rules of the Rush County Premium Auction. All 4-H food members will need to fill out a food auction label located at the entry table before food judging. All 4-H food members will receive 90% of their proceeds from the food auction. For the members to receive this, they will need to present their food item during the auction. If not able to present food at auction because of a conflict, prior arrangements **must** be made with 4-H agent or 4-H program assistant prior to the event. If you are not present and no prior arrangements have been made, your proceeds will default to 4-H Council. **Any exhibit that requires 3 items for judging will need to bring 12 items to qualify for the auction.**
5. Items constructed in Walnut Creek Extension sponsored classes and day camps may be exhibited in the corresponding project area provided 4-H'er is enrolled in that project.
6. Consultation (interview) judging will be used in all project

areas except livestock. Fine Arts and Foods will be consultation judging starting at 8:00 a.m., Wednesday, August 2nd. 4-H'ers will be assigned a block schedule. 4-H'ers will need to be there, for their block of time, to meet with the judge. If you miss your assigned time you will need to wait until the end of the daily judging schedule to meet with the judge. All exhibits must be entered within 10 minutes of the final block time. Please bring your exhibits at the time of your consultation judging.

7. Two entries per class, a maximum of 6 per person per project area, unless otherwise stated.
8. PRE-ENTRIES—All clothing and knitting and crocheting Fashion Revue entries and all other 4-H entries must be pre-entered by Friday, July 14. Booth and display space must be reserved by Friday, July 14.
9. FASHION REVUE, CLOTHING & BUYMANSHIP & PHOTOGRAPHY JUDGING will start at 9 a.m. on Monday, July 31. The Public Fashion Revue will start at 7 p.m. on Monday, July 31.
10. Entries in the 4-H Division of the Rush County Fair will be judged according to the Danish System of Judging. Based on the discretion of the judge, entries may receive a purple, blue, red or white ribbon.

Champion, Reserve Champion, Reserve Grand Champion and Grand Champion placings will be awarded at the discretion of the judge and department guidelines will be followed.

11. Entries must receive a purple to qualify for exhibit at the Kansas State Fair. Not all classes at the Rush County Fair have corresponding classes at the Kansas State Fair. Such classes will be noted. **A 4-H'er must be 9 years old to exhibit at the Kansas State Fair.** All items qualifying for exhibit at the Kansas State Fair must be pre-entered by **August 15.** All Livestock entries to the Kansas State Fair are due **June 15.**

2. Exhibits will be judged once daily. The purpose of the contest is to provide an incentive to keep the livestock barns presentable at all times to the public. Teamwork is encouraged among members. Everyone's assistance is needed to help make this a fun and fair competition.
3. Each livestock exhibitor in beef, dairy, meat goats, swine, sheep, horse, poultry, and rabbits will be assigned a stall or pen for their animals. These will be assigned prior to the fair and grouped according to clubs.
4. Winners will be announced each morning at the Livestock Shows. Coupons will be handed out to the youth, included in the species that win, for the Concession Stand. Overall Herdsman winner will be announced at the Livestock Sale and the club will receive the award of \$100.
5. Herdsmanship contest will run Wednesday - Saturday. Judging times will be unexpected and not the same each day.

6. Judging criteria:

CLEANLINESS OF ALLEY, STALLS, AND PENS.

Bedding adequate, dry, clean and in place. Manure hauled out and deposited in designated areas. Alleyways swept clean, free of dust, sand, wood chips, hay and manure. Watering points and drains kept clean. Feed boxes and gear stored in area provided.

APPEARANCE OF ANIMALS AND STALL CARDS.

Animals clean and brushed. Animals securely tied or penned. Stall cards readable from alley. Clean and complete.

7. Scoring will be based upon the following:

Cleanliness of Alley, Stalls and Pens	3 points
Appearance of Animals	2 points
Stall Cards	<u>1 point</u>
TOTAL POINTS	6 points

Top clubs in each area will be awarded a certificate each day in each species.

Totals for the week will be accumulated and prizes will be given by 4-H Council.

RUSH COUNTY PREMIUM AUCTION

Committee members: Saleena Skillet, Nikki Larson, Eric Juno,
Chandra Wegener, Ryan Zeltwanger, Ella Showalter, Sally
Jacobs, Eric Maier

1. The Rush County Premium Auctions committee manages Rush County Fair auctions which include market beef, market swine, market lambs, meat goats and food items.
2. 4-H/FFA members reserve the ownership of the animal in the premium auction and only receive the proceeds of the premium auction. Any animal identified as a 4-H/FFA pro-

ject and sold in a premium auction, then sold privately or at another auction, may NOT be shown at any show by the seller or purchaser. The ONLY exception to this is that a 4-H/FFA member may delay butchering until they have shown in the "Champion of Champions" Tri-State Royal in Goodland.

3. 4-H members may auction a maximum of three items in a given fair, not to exceed two items per event. Combination may be as follows: two livestock and one food, two food and one livestock, two livestock, or two food. FFA members may auction a maximum of two animals in a given fair.
4. Livestock will have to meet minimum weights to qualify for the premium auction. County fair weigh-in weight will be show and sale weight. No re-weighs allowed.

Market Steers 1,000 lbs.	Market Heifers 950 lbs.
Market Swine 200 lbs.	Market Sheep 90 lbs.
Meat Goats 55 lbs.	Hair Sheep 55 lbs.
Meat Birds 4.5 lbs.	Meat Rabbits 3.5 lbs.

5. All market and commercial animals must meet the requirements of the KS Dept. of Ag in order to show and sell. All 4-H/FFA members must show in the species Showmanship contest to be eligible for sale. All market and commercial animals must have been tagged at a Walnut Creek District scheduled weigh-in.
6. Members must provide a Rush County Premium Sale and Drug Withdrawal Form at the conclusion of their respective Livestock Show to participate in the sale. All exhibitors must be in good standing with Rush County stipulations.
7. Each 4-H/FFA seller will receive a Livestock Buyers Ribbon to present to the purchaser. A 5% commission will be held from each animal to cover the cost of the ribbon, postage, and species check-off, and 10% will be withheld from each food item.
8. Checks for all market animals will be held until exhibitors have proven to comply with all Rush County Fair rules & thank you notes are verified to the Extension Office. 4-H/FFA members have until September 15th of fair year to submit documented buyer thank you notes to the Extension office. Premium amounts will be forfeited back to the premium account after that date.
9. Those wishing to donate to the Rush County Premium Auction may mail donations to the following:

4-H ROUND ROBIN

SHOWMANSHIP CONTEST

Award donated by the Rush County Fairboard and Clade & Cora Anderson. Winners of the beef, dairy, horse, meat goat,

sheep and swine showmanship contests will compete in the Round Robin Showmanship Contest to determine the overall showman. Participants in the Round Robin Showmanship Contest must own the animal they show and must have shown that animal in one of the market or breeding classes. Should a participant be selected a winner in more than one species, the exhibitor must declare which species will be shown in the Round Robin. The second place winner will then be eligible to participate in the Round Robin. In the case that a 4-H'er has won two or more species, then the third place exhibitor will move up.

A separate judge will be used for this contest. A trophy or buckle will be awarded to first and second place Jr. and Sr. Age divisions).

INSTRUCTIONS FOR WEED CONTROL NOTEBOOK

Make a 13”x18” wooden plant press to prepare plants for mounting. Name and county should be taped to bottom side. A minimum of fifteen weeds should be collected, identified, pressed, mounted and labeled. Try to include roots, stems, leaves and flowers. Three of the weeds must be noxious, preferably found in your home county. Permanently mount specimens in a 9”x12” scrapbook. Name and county should be printed on the inside of the front cover. Prepare a list of weeds mounted, showing common name, scientific name and where it was found. Place the list in a specially identified section of the scrapbook. Collect and identify weed seeds found in crop seeds. Mount for display purposes. Place in an identified section of the book. If exhibitor lives on a farm, write a story on “How We Control Weeds on Our Farm”. Other exhibitors write “How We Control Weeds at Home”. Stories should be 300 words in length and show definite methods used to control weeds. Place story in an identified section in book.

JUDGING CRITERIA - WEED CONTROL NOTEBOOK

Records (Neatness & Condition)	50%
Weed /Seed Collection & Exhibit	30%

The 4-H'ers are encouraged to include photographs, illustrations and or landscape drawings that help explain work done by the member. Photos taken from the same location before, during and after the completion of the project are particularly helpful.

Department 15 - 4-H FOOD PREPARATION

Superintendents: Joyce Cornwell, Erin Petersilie,
Janelle Maier, Lauren Maier

Jr. Superintendents: Jady Petersilie, Navaeh McVey

Read general rules.

Enter age division according to 4-H age. A 4-H member

may enter up to 6 total entries in this department. All baked goods must be left whole and uncut. Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit three cookies, three muffins, three bread sticks, 1 loaf bread, etc.

Complete recipes with ingredients and instructions must be attached with the entry, or the placing will be lowered one ribbon when judged.

Baked products should be removed from pans, placed on disposable plates or on covered cardboard cut to fit the size of the product and placed in a clear plastic bag. DO NOT place on styrofoam or wrap in plastic wrap. Entire product must be entered. Unfrosted cakes, except for Bundt cakes, must be exhibited with top crust showing. All frosted cakes shall be entered in cardboard boxes or appropriate, disposable plastic containers.

For food safety purposes, any food with custard and dairy-based fillings and frostings (ex. cream cheese) raw eggs, flavored oils, "canned" bread or cakes in a jar, cut fresh fruit or any food requiring refrigeration (ex. bacon) or unbaked exhibit with raw flour (ex. no bake cookies) will be disqualified and not judged. Refer to K-State Research and Extension publication, 4-H888, Judge's Guide for Food and Nutrition Exhibits, for information to help you make informed, safe food exhibit decisions.

Alcohol (ex. wine, beer and hard liquor) is not allowed as an in-

redient in food entries. Entries with alcohol in the recipe will be disqualified and not be judged.

A food Gift Package and/or Specialty Food Product must contain at least three different food items(prepared for human consumption), prepared by the 4-H'er, in a suitable container no larger than 18"x18"x 18". All items exhibited within the gift basket must conform to the rules and regulations of the foods division. Additional homemade food items beyond the 3 minimum, or purchased items may also be included in the gift basket. On an attached piece of paper answer these questions: a) what is the intended use; b) what food safety precautions were taken during and after preparation? Prepared food items must have recipes attached with the entry. Herbs, vegetables and garlic in oil are considered perishable. Canning jars should not be used for baking per manufacturer's instructions; they could break during baking.

8. Exhibitor may or may not sell their item in the Food Auction. Food Auction will be held on Wednesday, August 2, starting at 5:30 pm. All 4-H food members will need to fill out a food auction label located at the entry table before food judging. All 4-H food members will receive 90% of their proceeds from the food auction. For the members to receive this, they will need to present their food item during the auction. If not able to present food at auction because of other judging 4-Her's are involved in, prior notice/arrangements need to be made with 4-H agent or 4-H program assistant. If you are not present and no prior arrangements have been made your proceeds will be defaulted to 4-H Council. **Any exhibit that requires 3 items for judging will need to bring 12 items to qualify for the auction.**

9. In the modified non-perishable food project category, product must be modified from original recipe to nutritionally enhance the food product. Attach one 8½"x11" page (front & back) that includes original recipe, modified recipe and narrative to describe of modifications made, why modifications were made and lessons learned, such as nutritional value, and possible changes in appearance, doneness, aroma, flavor, tenderness and/or texture. Department 18 - 4-H CLOTHING & TEXTILES

Superintendents: Amy Blackburn, Janet Ryersee
Junior Superintendents: Ashlynn Hoover, Danyka Pierce,
Alayna Hoover

Garments may have been worn but shall be laundered and pressed before being exhibited. Garment may be covered with a clear plastic bag. Each garment should be hung on swivel or wire hangers and must be labeled with exhibitor's name and class number. At least one constructed outfit must be modeled in the Public Style Revue to receive premiums. Superintendents may grant exceptions for emergencies at their discretion. Pre-cut kits are acceptable. Garments receiving a Purple are eligible for the Kansas State Fair.

Identification Labels - No straight pins may be used to attach these labels. Type or print on a 3"x 2½" piece of cloth or paper: class number, county/district, name. Sew labels on the inside of garment (back of neck, center back of waistband, or left end of apron band). Label each piece. Place entry form and score card on front left shoulder seam of garment or to the left of waistband with hanger opening facing to the left as if you were wearing the garment, so that the hanger opening faces the attached entry form.

Recycled Clothing Project - An item made of at least 50% recycled material (recycled means reusing an existing item in a new way). Could be remaking/redesigning a garment, repurposing a clothing item for a new use, etc. Must include sewing of some kind. An index card (no larger than 4"x6") MUST accompany entry describing the recycled materials and how they were used in the item.

Educational exhibits may be a poster, notebook, booth or other display showing and describing something learned in the clothing construction or clothing Buymanship project. Maximum size for posters is 22"x28". If the exhibit is a display, maximum size is not to exceed a standard commercial 3' x 4' tri-fold display board. Booths are not eligible for Kan-

sas State Fair.

A Champion and Reserve Champion will be selected in each level. Grand Champion and Reserve Grand Champion will be selected overall after combining Level I & II and after combining Level III & IV.

Attach a Steps and Instruction Card. Art must be mounted or framed and ready to hang. Articles exhibited must be an original design created by the exhibitor.

A Champion and Reserve Champion will be selected in each Section. Overall Grand Champion and Reserve Grand Champion will be selected for Levels 1 & 2 combined and for Levels 3 & 4 combined.

Kansas State Fair – Only one exhibit from each category (fine arts, clay and ceramic, three-dimensional, general crafts) can show on the 4-H level at the Kansas State Fair. Because of this, the county fair judge will choose five (5) total projects for the county to take to the Kansas State Fair. Any 4-H member can show and be judged as an open class entry at the Kansas State Fair. If a 4-H member decides to show their project as an open class entry at the Kansas State Fair, it is their responsibility to turn in an entry form by August 15th, pay entry fees and take and pickup their project at the Kansas State Fairgrounds.

Fine Arts

Oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal, or textiles, framed as a picture, prepared for hanging. Stretched canvas art on a wooden frame is considered prepared for hanging provided that the frame has a hanger.

Clay and Ceramics

Any original item made of clay; may be fired or unfired, hand formed, or thrown on a wheel. Self-hardening, fire/oven-cured, and/or cornstarch clays are acceptable. Items can include, but are not limited to, clay statues, bowls, etc.

Leather and Jewelry

Any leather stamping, carving, tooling, lacing, or stitching piece or any jewelry piece made from any medium are acceptable exhibits.

Three-Dimensional

The piece must be observable on at least three sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled projects are not acceptable.

General Crafts

This category incorporates miscellaneous pieces that do not correspond to the four, above-mentioned categories.

Anything made from a kit is not eligible for state fair selection.

Class 2201 **LEVEL ONE (7-9 years old)**

Class 2202 **LEVEL TWO (10-12 years old)**

Class 2203 **LEVEL THREE (13-15 years old)**

Class 2204 **LEVEL FOUR (16-18 years old)**

A 4-H member may enter up to 6 total entries

Department 23 - 4-H FIBER ARTS

Superintendent: Heather Ross, Janelle Maier

Junior Superintendent: Emily George

A Fiber Art is any method of creating a unique design with fiber, fabric, felt or yarn. This may include making fabric such as weaving, crocheting, knitting or needlepoint. This may also include changing existing fabric into something quite different such as quilting, embroidery or ethnic art. Ethnic fiber arts should use a fiber, yarn or fabric to create the design exhibit. Non-textile (examples include wood reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division. Ethnic fiber arts also can do felted items that are not Knitted or Crochet, etc.

Print or type exhibitor's name, county and class number on a 3"x2 1/2" piece of cloth. Attach label with thread or safety pins to all items. Exhibitors should attach a 4"x6" card to entries to give information to the judge. Explain whether you hand knitted the fabric or used a knitting machine. Also, indicate if the exhibit contains any recycled materials or is made of at least 90% wool. If the item is an original design, note this fact on the 4"x6" card. For quilted items indicate who did the quilting and binding.

Articles normally worn together as a pair must be shown together. Securely fasten articles together with yarn. To be displayed, exhibits which need to be hung must have an appropriate hanger, rod, wire or other mechanism attached.

The exhibitor must determine the class in which a constructed item that includes one or more Fiber Arts techniques will be entered. Such an item may only be entered in one department.

Champion and Reserve Champion will be awarded in each class. Grand Champion and Reserve Grand Champion will be awarded in each section.

Age Divisions are as follows:

LEVEL ONE (ages 7-9)

LEVEL TWO (ages 10-12)

LEVEL THREE (ages 13-15)

LEVEL FOUR (ages 16-18)

Section 1-Any Fiber Arts Exhibit

Class 2300 **Crochet**, any article including felted items.

Class 2301 **Knitting**, any article made either by hand or by knitting machine including felted items.

Class 2302 **Needle Arts**, any article created by hand using any of the following techniques: a) Embroidery and cross-stitch b) Needlepoint c) Candle wicking d) Crewel e) Lace-work f) Appliqué.

Class 2303 **Patchwork or Quilted article** - It is acceptable practices for the exhibitor to create the patchwork or quilted article and have someone else quilt it.

Class 2304 **Rug Making**, any rug - acceptable techniques include braiding, latch hook, tying, floor cloth, etc. The finished product should be an item that would be an item used in the home.

Class 2305 **Spinning**, a skein - minimum 10 yards in length

Class 2306 **Weaving**, any woven article - Members should attach information about the type of loom or process used.

Class 2307 **Ethnic Arts**, any article: This is defined as a Fiber Art/Textile technique that is associated with a specific country or culture. It is a practical skill that was developed to provide basic family needs such as apparel, home furnishings or decorations. It is also defined as a method that has been maintained throughout history and passed on to others, often by observation and by example, such as batik, Swedish huck towel weaving, mud cloth, bobbin weaving, tatting, felted items that are not knitted or crocheted, etc. Members should attach information on the history of the ethnic fiber art, where it was used, by whom, how it was used, short description of the technique, etc.

Class 2308 **Macramé**, any article

Class 2309 **Fiber Arts Educational Notebook**, The notebook or binder should include a narrative section describing the fiber art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures and the future plans. It may include samples of techniques, how-to's, photographs of completed projects, or other ways of educating others about fiber arts. NOTE: a collection of brochures, webpages, patterns, record book forms, etc. does not constitute an educational notebook. Follow copyright laws. Name, local unit, and fiber art covered must be clearly marked in the notebook.

Department 24 - 4-H BOOTHS & BANNERS

Superintendents: Lydia Flax, Paula Shaw

Junior Superintendent: Grace Smith

Champion and Reserve Champion will be awarded in each section.

Section 1-BOOTHS

Class 2400 **Club Booth**

Class 2401 **Individual /Group Booth**

Booth size is approximately bottom 4'x4', back 4'x6', sides 4'x4'. Each club or exhibitor is limited to one booth. Each booth must be labeled with a sign with club name approximately 4"x16". Premium money will be forfeited if booths are not properly cared for. Booth walls must be covered.

Section 2-BANNERS

Class 2410 **Club Banner**

Banners should illustrate a phase of 4-H work being practiced by youth in 4-H or promote 4-H generally. 4-H exhibitors should avoid using copyrighted materials whenever possible by originating their own work. Copyrighted and/or trademarked materials utilized in banners for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed. Banners are a 2 dimensional display depicting one idea. Dimensions are to be no less than 12 and no more than 16 square feet, with no side less than 3 feet. Banners must be hung on a rod strong enough to support the banner. On each end of the dowel stick, there must be a wire or chain 6" long. The other end of the wire or chain will be connected to an "S" hook which will permit the banner to be hung from a suspended wire. Banners mounted any other way risk not being displayed due to technical problems. Banners should be made of materials that permit the banner to be folded or rolled without damaging the display. Objects may not be attached to the front of the banner. Attach a label to the front lower left-hand (as you face it) corner of the banner giving the name of the club and county or district. Letters should be 2" in height.

Department 25 - 4-H ENTOMOLOGY

Superintendents: Lydia Flax, Paula Shaw

Junior Superintendent: Alexa Ryersee

Grand Champion and Reserve Grand Champion awarded overall.

All entries are to be placed in **Plexiglas** covered wooden boxes with outside measurements of 18" x 24" x 3½".

Display boxes with glass covers WILL NOT be accepted.

See the specific phase for box and specimen number limita-

tions.

During the transition, Orders and Family names should follow the taxonomy either

A. As printed in "Insects in Kansas" book or

B. As printed in the "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net

Resources for exhibiting can be found on the Kansas 4-H Entomology project page.

Each exhibitor is required to identify each box by placing an identification label bearing exhibitor's name, county or district, the class and statement of taxonomy used. One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so it can be displayed lengthwise. The number of orders, specimens (and families where required) must be included on both the exhibitor's box identification label.

Arrangement of specimens:

The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Specimens are to be arranged in the box according to Order, then Family where required.

Two labels should be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date, locality, full county name, state abbreviation should be on the second label. Collectors name or host on the date/locality label is optional. Only one adult insect per species can be used in the Collection Boxes and Notebook Classes, unless labeled as male or female and correctly identified

The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Please refer to "Entomology Collection Exhibit Resource" for full details on out-of-state insects in collections. Only specimens of the class Insecta should be included.

Purchased insects are not to be exhibited in collections, but they may be used in educational displays.

Specimens of soft bodied insects such as aphids, lice, termites and etc. should be exhibited in alcohol filled vials, however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.

Section 1- ENTOMOLOGY

Class 2500 **Introductory Entomology** (not eligible for the Kansas State Fair). Minimum specimens, 15. Maximum specimens 30. Minimum orders. 6.

Open to those in their first two years of entomology. Speci-

mens must be exhibited in small cardboard or plastic boxes (One or two boxes with a total display area no more than 130 square inches). Boxes can be homemade by placing a layer of polystyrene foam in the bottom of a shoebox, school box, or storage container or can be purchased from a biological supply company. For the exhibit, the boxes should be covered with a clear plastic wrap or acrylic glass taped across the top of the box. Insect names are not required however, date-locality labels are required for each specimen. Order labels must be pinned to the bottom of boxes.

Class 2501 BEGINNING ENTOMOLOGY Collection 1

Display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Follow the guidelines listed for all collections.

Specimens should be grouped according to order with the order labels pinned to the base of the box. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 2502 BEGINNING ENTOMOLOGY Collection 2

Display in one standard box a minimum of 75 and maximum of 150 species representing at least 9 orders. Specimens should be grouped according to order with the order labels pinned to the base of the box. Members can exhibit in the class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 2503 INTERMEDIATE ENTOMOLOGY Collection

Display a minimum of 100 and a maximum of 300 insects representing at least 10 orders. Two standard boxes can be used. All specimens should be grouped to order. In addition, family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging)

A. "Insects in Kansas" book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera *or*

B. "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera.

On a piece of paper list what you did to improve your collection during the current year. Members can exhibit in this class a maximum of 3 years. A 4-H'er will move up if they receive a purple ribbon at the Kansas State Fair.

Class 2504 ADVANCED ENTOMOLOGY Collection

Display a minimum of 150 and a maximum of 450 insects representing at least 12 orders. Three standard boxes can be used. Follow the general guidelines listed for collections.

Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper list what you did to improve your

collection during the current year. Examples: what insects did you add or replace; what orders and/or families you added; what Leadership you provided in this project; and/or what insects you have studied. Attach paper to the back of one of the display boxes. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible for 4-H membership.

NOTE: Any major violations of rules will result in the exhibit being dropped one ribbon placing.

ENTOMOLOGY NOTEBOOK

1. Individual entries are to be placed for display in a three-ring notebook for competition.
2. 4-H'ers may choose to use one of two taxonomies:
 - A. As printed in "Insects in Kansas: book or
 - B. As printed in the "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net
3. 4-H'ers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the Introductory phase.
4. Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitor's name, county or district and class 4-H'er is enrolled in and statement of taxonomy used in options "A" or "B". The number of orders, specimens and families (required in Intermediate and Advanced classes) must also be included on the Title Page.
5. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.
6. Date, common name, full county name, state abbreviation and collector name should be included for each species. Collector's name on the specimen page is optional.
7. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.
8. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly encouraged.
9. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page and also on the front of the divider page.
10. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of

the project and what the exhibitor did his year to improve their notebook. Place the paper just behind the Title Page in the front of the notebook.

11. A special project must be completed each year and included in the notebook. See project guideline materials for specifications.
12. Refer to the publication "Entomology Collection Notebook Guidelines" on the Kansas 4-H Entomology web page for more detailed rules for exhibiting.

Section 3-ENTOMOLOGY NOTEBOOK

Class 2508 Introductory Notebook

Display in one 3-ring notebook a collection of photos with a minimum of 10 and a maximum of 30 insect species representing at least six different orders. Follow the general guidelines listed for notebooks, including the Special Project. A 4-H member must be of minimum age to compete at the Kansas State Fair. A 4-H'er may exhibit in this class for a maximum of two years.

Class 2509 Beginning Notebook

Display in one 3-ring notebook a minimum of 20 and a maximum of 60 insect species presenting at least seven different orders. Follow the general guidelines listed for notebooks, including the Special Project. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 2510 Intermediate Notebook

Display in one 3-ring notebook a minimum of 60 and a maximum of 100 insect species representing at least nine orders. Follow the general guidelines listed for Notebooks, including the Special Project. In addition, family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging):

- A. "Insects in Kansas" book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera or
- B. "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera.

A 4-H'er may exhibit in this class for a maximum of three years.

Class 2511 Advanced Notebook

Display in one 3-ring notebook a minimum of 100 and a maximum of 200 species representing at least twelve orders. Follow the general guidelines listed for Notebooks, including the Special Project. In addition, family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. Members may

continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

Section 4-EDUCATIONAL DISPLAY

Share with others what you have learned in this project. Exhibit any activity or learning experience related to the field of entomology or the Teaming with Insects curriculum that does not fit into Entomology collection or notebook classes above. Follow copyright laws as explained in the General Rules.

The exhibit may be, but isn't limited to, original works, digital presentations (must provide printed hardcopy of exhibit purposes for the duration of state fair), programs, websites, games, apps, display box, notebook, display or poster which you have made.

If the exhibit is a wooden display box, it must be 18"x24"x3.5" with a clear plastic top (such as plexiglass) and displayed horizontally. If the exhibit is a poster, it must not be larger than 22"x28". If the exhibit is a display, maximum size is not to exceed a standard commercial 3'x4' tri-fold display board. Name and county/district must clearly be marked on educational exhibits on the front left hand side.

Class 2512 Beginning Educational Display

Class for individuals that are exhibiting in the Beginning I and II Collection or Beginning Notebook Classes. If only exhibiting in this category, then ages 9-12. Follow the general rules listed for the Educational Displays.

Class 2513 Intermediate Educational Display

Class for individuals that are exhibiting in the Intermediate Collection or Intermediate Notebook Classes. If only exhibiting in this category, then ages 11-14. Follow the general rules listed for the Educational Displays.

Class 2514 Advanced Educational Display

Class for individuals that are exhibiting in the Advanced Collection or Advanced Notebook Classes. If only exhibiting in this category, then ages 13 or older. Follow the general rules listed for the Educational Display.

Department 26 - 4-H WOODWORKING

Superintendent: Karen Maier, Mark Goodheart

Junior Superintendents: Kolton Appel

1. The plan from which it was constructed MUST be with the article exhibited. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Please note: A set of step-to-step instructions is not a plan.
2. Projects with missing or insufficient plans will be lowered

one ribbon placing (i.e. a blue ribbon exhibit will receive a red ribbon).

3. Projects that have unsecured glass, i.e., glass shelves, glass top of a coffee table, etc., should not be brought to the fair. Glass that is secured in the project, i.e., glass front of a gun case or cabinet, etc., is permissible since it cannot be easily removed. The use of materials used, other than wood, should be kept to a minimum.
4. The entry card, plans and all other paperwork should be enclosed in a zip top plastic bag with a hole punched through it and using string to tie this to the exhibit. Tape is not an adequate way to attach the bag to the exhibit.
5. In the judging of woodwork articles, consideration will be given to: Workmanship, including accuracy to the plan; Design; Choice of wood, Suitability and quality of finish; and Usefulness.
6. Refinished/repaired furniture should be exhibited in the Home Environment class—single exhibit.
7. Firearms and weapons are not to be entered or exhibited at the Kansas State Fair.

Champion and Reserve Champion will be awarded in each age division. Grand Champion and Reserve Grand Champion will be awarded overall.

The 4-H member must be currently enrolled in the 4-H Space Tech project to exhibit in this division. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year.

All work in construction, paint, display, must be completed by the 4-H member, with adult supervision when needed.

For all current Space Tech rules and regulation refer to the mailed version of rules, ask the extension office for a copy.

If a safety violation is noted by the judges, superintendents or extension staff, the exhibitor's exhibit will be given a participation ribbon.

Rockets must have been previously launched to be eligible for a ribbon placing at county fair.

Class 2701 **Telescope made from original design**

Section 2-ROBOTICS

Novice-1 to 2 Years in Robotics Project

Intermediate-3 to 4 Years in Robotics Project

Professional-Five or More Years in Robotics Project

Class 2710 **Robot made from a commercial/purchased kit**

Class 2711 **Robot designed and constructed by exhibitor**

Robot must not be a mere modification of an existing robot kit or plan.

Class 2712 **Programmable robot made from a commercial (purchased) kit**

Class 2713 **Robot designed and constructed by exhibitor or from a commercial kit**, operated by a remote controlled device,

Class 2714 **Junk drawer Robotics**, curriculum robot

Class 2715 **Robot designed and constructed by 2 or more 4-H SpaceTech project members**. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division is designed to encourage teamwork and cooperation among fellow 4-H SpaceTech members. As with many high tech projects today, no one person designs and builds a robot alone. It takes brainstorming, planning, problem solving and cooperation of an entire team to complete a given robotics project.

Section 3- ROCKETRY

For exhibit to be eligible for the State and County Fair; the rocket must have been flown.

Class 2721 **Rocket made from kit** Include plans

Class 2722 **Rocket designed by exhibitor** not merely a modification of an existing kit. Include original plans and stability testing.

Class 2723 **Pre-finished** pre-painted or pre-formed body parts, **COUNTY ONLY**

Class 2724 **SENIOR ONLY Rocket designed by exhibitor** that uses alternative skins; not merely a modification of an existing kit. Include original plans.

Class 2725 **SENIORS ONLY Mid or High power rocket** made from kit or original design.

Exhibitors 11 years and older

This class is designed to encourage teamwork among individuals and clubs to work on a rocket from the initial design to the finished product.

Class 2726 **Rocket designed by 2 or more exhibitors**; not merely a modification of an existing kit. Include original plans.

Section 4-COMPUTERS

4-H'er must bring a computer that will run the project for judging. Operating instructions are required.

Class 2730 **Computer program**, application, app, script, or coded system that is new and unique (not merely a file run in a program, such as a 'word document' or a picture drawn in 'Microsoft Paint.')

Class 2731 **Computer presentation** (power point, web page/site, animated graphics, etc.)

Class 2732 **Single computer system** (web server, database server, etc.)

Class 2733 **Networked system** consisting of two or more computers

Class 2734 **Chip System** a small 4"x4"x4" programmed physical device that accomplishes a specific task

Section 5-UNMANNED AERIAL SYSTEMS

Class 2740 **Unmanned Aerial System** designed and constructed by exhibitor that is operated by a remote controlled device. The UAS must not be a mere modification of an existing kit or plan.

Class 2741 **Practical application of an Unmanned Aerial System** constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc.

Articles that have been in use should be cleaned for exhibit. A sheet of operating instructions must be furnished for any exhibit not self explanatory. Exhibit must be operable. If battery power is required, batteries must be furnished. Any project with a complexity of size or electronics must have (a) instructions for assembly and use and (b) equipment available at the time of judging for actual testing of the exhibit. No hand dipped solder may be used in exhibits. Each exhibit must have a score card completed and attached securely. Score card is available at the Extension Office.

Each 4-Her may enter a total of six (6) items with no more than two (2) per class.

Champion and Reserve Champion will be awarded in each section. Grand Champion and Reserve Grand Champion will be awarded overall.

JUNIOR, 7-12 years of age

SENIOR, 13-18 years of age

Section 1-Electrical and Electronics

Class 2800 AC Electric Projects - Electric projects with a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances extension cords, trouble light, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240V exhibits are allowed, and must be constructed such that the judges have wiring access to examine the quality and safety of workmanship.

Class 2801 DC Electric Projects - Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered projects. Examples include: wiring two or three way switches, difference between series/parallel lighting circuits or wiring doorbells switches. All DC electric projects must include batteries supplied by 4-Her. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 2802 Electronic Projects - Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meter, security systems, etc. May be constructed using printed circuit board, wire wrap or breadboard techniques. Include

instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 2803 Educational Displays and Exhibits -This class includes any educational displays, exhibits or science fair projects that DO NOT have a power source. i.e. exhibits, posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays must be legible from a distance of four feet using a maximum tri-fold size of 3'x4'.

Section 2-Small Engines

All exhibits should involve engines smaller than 20 horsepower for classes 2804-2807. Engine should contain no fuel in tank or carburetor. Displays are limited to 4' wide and 4' deep, both upright and floor displays.

Class 2804 Display - Exhibit a display, selecting one of the following options: 1)a display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or a display showing the function of the various engine or lawn and garden equipment parts; OR 2)a display identifying and explaining the function(s) of different special tools needed for small engine work; OR 3)a display illustrating and providing the result of any one of experiments that are included in the project books. No complete engines, lawn tractors, tillers, chainsaws are permitted for display. Maximum tri-fold size is 3'x4'.

Class 2805 Maintenance - Exhibit a display that illustrated either: 1)routine maintenance procedures OR 2)diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display using a maximum tri-fold size of 3'x4'.

Class 2806 Operation - Exhibit an operable small engine (no more that 20 HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine. Maximum tri-fold is 3'x4'. Engine should contain no fuel in tank or carburetor.

Section 3-Alternative Energy (a form of energy derived from a natural source, such as the sun, geothermal wind, tides or waves.)

All exhibits in this division are limited in size to standard, tri-fold, display boards (36"x48") and items may not extend beyond 12" from the back board, all displays must be self standing.

Class 2807 Educational Display - Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.

Class 2808 **Experiment** - Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypotheses, background research, variables, a control, data, findings, conclusions and recommendations for future study.

Department 29- 4-H PHOTOGRAPHY

Superintendents: LeAnn Keener, Joyce Cornwell

Junior Superintendents: Ashlynn Hoover, Ally Lineberry,
Hope Lumpkins

Black & white prints and color photographic prints, and/or videos may be entered. Any format of camera may be used, but phone cameras are not recommended. Remove white borders from the photo print before mounting. Photos must be no larger than 8" x 10" and no smaller than 7" x 9" after trimming. ALL (both horizontal and vertical) photos must be **permanently mounted across the NARROW (11") dimension of an 11" x 12.5" sheet of white studio matte board.** Do not use foam core board or poster board. Photos must be mounted with the top edge of the print 1" below the top of the mount board. The sides of the print should be equal distance from the sides of the mount (centered).

Use only adhesives designed for permanent photography mounting. Do not use double stick tape, rubber cement or other household glues. These products cause buckling, stains or lumps in photo surfaces. Frames and glass are prohibited. No lettering is permitted on the front of the photo. (Dates are considered to be lettering.) Contact prints on front of the mount are not allowed. White borders are not allowed on prints.

4-H photos will be displayed in clear photo sleeves that can be purchased at the Extension Office. When inserting your photo into the sleeve, the opening flap should be at the bottom of your photo and when closed the flap should be on the back side of your photo. This will assist with the judging process.

Each entry must be placed in a clear photo sleeve to protect the photo during transportation, handling and display. Each entry must have a completed entry tag inside the clear photo sleeve.

Exhibitors are required to submit small original photos for **items entered in special classes marked with an ***. Place the original photo (4"x6" or smaller) in an envelope, tape the sides and bottom to the back side of the mount board with the flap opening out. See KSF 4-H Photography ID

form, available at Extension office and on line, for correct placement.

Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, one click filter effects, red eye removal, cropping, dodging and burning should be entered in the standard color or black and white classes. HDR photos are to be entered in the standard Photo classes. Digital Composite Image: Finished photo must be created from two or more original sources created by exhibitor. HDR photos do not qualify for this class. Photos will be judged on photographic merit as well as manipulation technique and process. Ribbon placement will be determined by combining the score of each judging section. The black and white class is for black and white prints only. Monochromatic prints, including sepia prints are considered color photos and must be entered in the appropriate color photo class. Appropriate photo subject matter: Photogenic subject matter is expect to follow 4-H standards.

Exhibitor's name, address, phone number, county, photo class, and location where the photograph was taken must be written on back of each entry.

Photos with live subject(s) on railroad right-of-way or taken from railroad right-of-way property will not be displayed in Kansas 4-H Photography and will be disqualified and not judged.

Photos not meeting these requirements will be lowered one ribbon color.

Each 4-H'er may enter a total of six (6) items with no more than three (3) per class.

Champion and Reserve Champion awarded in each class.

Grand Champion and Reserve Grand Champion awarded overall in each section.

STATE FAIR ELIGIBILITY- A photograph entry must receive a purple ribbon at the Rush County Fair to qualify for exhibition at the Kansas State Fair. **An exhibitor must be 9 years of age but not yet 19 years of age on January 1, 2023 to exhibit at the 2023 Kansas State Fair.**

Junior Division: ages 7-12

Senior Division: ages 13-18

Class 2900 **Black and White**

Class 2901 **Color**

Class 2902 **Digital Composite Image** – Finished photo must

be created from two or more original images photographed by exhibitor. HDR photos do not qualify for this class. Photos will be judged on photographic merit as well as manipulation technique and process. Photo must be from an original taken by the exhibitor. Exhibitor must include a second 11"x 12 1/2" matte board mounted with standard size prints of the original photos and 3"x5" cards explaining what manipulation was done, and a standard sized print of the final photo. Please put name and extension unit on the front of the second board. Place both matte boards in the same protective plastic bag.

Class 2903 Photo Essay – consists of 3 to 8 photos aesthetically arranged to tell a complete visual story. The main photo must be at least 5" x 7" and no larger than 8" x 10". Supplemental photos may be mounted in any order and in any pattern on a sheet of mount board or foam core board not larger than 16" x 20". Photo essays may be vertical or horizontal. A title or headline may be included and it should be neatly printed. Adhesive letters may be used. Other rules apply to the Photo Essay except as specifically noted. Not eligible for exhibit at the Kansas State Fair.

Class 2904 Project Meeting Item– Any item made at a county wide photography project meeting. Not eligible for exhibit at the Kansas State Fair.

Class 2905 Growth Portfolio

Member is eligible for this class beginning with the third year of enrollment in the 4-H Photography project.

Exhibit will consist of one photo for each year of enrollment. Each photo must have been created in a different year and must be labeled with year taken/project enrollment year. A maximum of 5 photos may be included if the member has 5 or more years of enrollment. Photos are not required to be in a consecutive order. For example, a nine-year-old with three years enrollment in photography is eligible to enter a growth portfolio. The portfolio in this example should have one photo from the seven-year-old year, one photo from the eight-year-old year and one photo from the nine-year-old year. The growth portfolio class may start at any time in the member's photography career. For an older member, the growth portfolio would represent any five years in the project, for example, years 1,3,5,7, and 9 for a member having project enrollment totaling 9 years.

Photos must be 8" x 10" and may be color or black and white and must be unmounted. An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.

Skill set used to create the photo must be given and explained. Main goal for each year should be listed.

Beginning with photo 2, member description of GROWTH in project skill must be included on information sheet. Exhibit will consist of photos arranged in chronological order of enrollment, information sheet on each photo, and all information listed. A portfolio book will be required to exhibit.

Class 2906 – Career Portfolio

Member must have been enrolled in Photography for 5 (five) or more years OR member must be age 15 -19 and been enrolled in photography for at least two (2) years.

Exhibit will consist of ten (10) 8 x 10 photos showing skill development in one of the following photography areas: Portraiture, Special Effects (not done with computer), Landscape, Photojournalism, Black and White, Nature/Wildlife or Graphic Design (computer skills with photos). Photos may have been created over multiple project years. Photos may be color except if Black and White option is chosen and must be unmounted.

An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.

A one page summary should accompany the portfolio listing the goal for pursuing this area of photography and what skills were learned while doing so. Mentors should be acknowledged. Career exploration can also be described.

Exhibit will be presented in a notebook designed for portfolio review with pages for required information from above.

Department 30 - 4-H DISPLAYS, NOTEBOOKS & POSTERS

Superintendents: Lydia Flax, Paula Shaw

Junior Superintendent: Navaeh McVey

This department is not eligible for the Kansas State Fair.

Display areas must be reserved by Friday, July 9. Display areas are 4'x4' or less. Two posters may be entered per project. If the exhibit is a poster it must not be larger than 22"x28". If exhibit is a display, maximum size is a 3'x4' tri-fold display board.

Displays, notebooks and posters in the following projects must enter under the corresponding department: Clothing, Electric/Energy Management, Entomology, Foods, Geology, Shooting Sports, STEM/SpaceTech, Photography, and Wildlife.

Champion and Reserve Champion will be awarded in each of the 6 classes. Grand Champion and Reserve Grand Champion will be awarded to the overall Department exhibit winners combined.

JUDGING CRITERIA

Stopping Power-15 points - Is the main idea specific? Is the idea presented clearly, simply, forcefully?

Interest & Holding Power-15 points - Does the exhibit give the observer additional facts in a clear, concise, informative way?

4-H Project Application-15 points - Is the subject matter an effective showcase?

Mechanical Power-5 points - Correct letter size, pleasing color combination, appropriate symbols and models?

Personal Growth-25 points - How much knowledge was gained by exhibitor? Enthusiasm shown?

Educational Value-25 points - Knowledge shared?

Junior Division: ages 7-12

Senior Division: ages 13-18

Section 1–Display Educational Exhibit made in connection with an enrolled 4-H project.

Class 3000 Junior Display Class 3001 Senior Display

Section 2-4-H Project Notebook - Project record sheet, summary, photos and news clippings should be included. Possible projects include; safety, health, conservation, forestry, personal development.

Class 3002 Junior Notebook Class 3003 Senior Notebook

Section 3—4-H Educational or promotional poster -Open to any 4-H project with no poster listing in this book. (example-bicycle, reading)

Class 3004 Junior Poster Class 3005 Senior Poster

Section 4–Club Related - Should reflect the activities of your club on some adopted project, (safety, recreation, health, etc.)

Class 3006 **Secretary’s Notebook**

Class 3007 **Reporter’s Notebook**

Class 3008 **Historian’s Notebook**

Class 3009 **Treasurer’s Notebook**

Class 3010 **Miscellaneous Club Related Notebook**

Class 3011 **Club Overview Poster** Should reflect club projects of the current 4-H year. Maximum size of 22” x 28”. Should include pictures and captions explaining the project. Newspaper clippings may be used. Purple ribbon will be awarded.

Section 5–Self Determined - Self determined 4-H project. This may be a notebook, display, poster, or anything else a 4-H'er wants to exhibit as part of their project.

Class 3012 **Junior Self Determined Project**

Class 3013 **Senior Self Determined Project**

Section 6-Creative Exhibit - Any 2D or 3D exhibit, mobile, home made book, diorama, recipe, box collection, etc. Display size may not be larger than 36” x 24” x 24”. This may not be an exhibit that can be entered into another class in this department. Example: No posters or notebooks.

Class 3014 **Junior Creative Exhibit**

Class 3015 **Senior Creative Exhibit**

Department 31 - 4-H WILDLIFE

Superintendents: Lydia Flax, Paula Shaw

Junior Superintendent: Jaylie Wagner

Types of exhibits in this department are open to educational or creative displays, educational posters or notebooks.

Take care to select durable materials to withstand fair conditions. No card table exhibits are allowed. If the exhibit is a poster, it must not be larger than 22”x28”. If the exhibit is a display, maximum size is 3’x4’ trifold display board.

EXHIBITORS MUST COMPLY WITH STATE AND FEDERAL LAWS. It is illegal to possess threatened or endangered

wildlife or the feathers, nests or eggs of non- game birds. Game birds and game animals taken legally during an open season may be used. The use of live wild animals is prohibited.

Name, county, age and year in project should be in a prominent location on the exhibit.

Champion and Reserve Champion will be awarded in each section. Grand Champion and Reserve Grand Champion will be awarded overall.

Notebooks and Educational Displays will be judged on the following criteria:

4-H Project Application	15%
Mechanical Power	5%

Junior Division: ages 7-12

Senior Division: ages 13-18

Class 3100 **Notebook** Contents pertain to some phase, results, story or information about the wildlife project.

Class 3101 **Promotional Poster** Must be related to something learned in the wildlife project. Flat poster board or foam board no larger than 22"x28".

Class 3102 **Educational Display** Must be directly related to the wildlife project. Maximum tri-fold size is 3'x4'.

Class 3103 **Taxidermy/Tanning Exhibit** Should include an attachment that shows the work in progress through photos with captions, or a detailed journaling of the process.

Department 32 - 4-H GEOLOGY & LAPIDARY

Superintendents: Lydia Flax, Paula Shaw

Junior Superintendent:

1. The exhibit box should be 18" x 24" x 3½". Plexiglas covers are required. Boxes with glass covers WILL NOT be accepted. All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep exactly. If a box has a sliding

Plexiglas cover, it must be removable from the top. Screws, locks, or other devices that would prevent judges from removing the cover should not be used.

2. Each exhibitor is required to identify each display box by placing an identification label bearing name, county or district, and number of specimens in the upper left-hand corner of the Plexiglas cover (inside-use clear double-sided tape to adhere gummed labels), and attaching a label with the same information on the lower right corner of the box (outside).
3. Exhibitor may enter in both geology and lapidary sections. Exhibits must be different. Exhibitor may show in only one of the first four geology classes. Exhibitor may also show in geology class 3304 (special exhibit) mineralogy and in one lapidary class.
4. Geology specimens should be labeled with the number of the specimen, date collected, specimen name or description, and locality (county) where collected.
5. For the geology classes 3200, 3201, 3202 and 3203, specimens should be mounted in the box by proper groups: rocks, minerals, fossils. Fossils must be identified to the Phylum, Class and Genus level. Genus name is to begin with a capital letter. Species name is all lower case. Genus and species names must either be italicized or underlined, not both. The words "phylum, class, genus" on labels are to be spelled out, not abbreviated. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; calcite from the Greenhorn Formation, not just calcite; Phylum: Brachiopoda Class: Articulata Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopoda Class: Articulata Genus: Composita).
6. For geology classes 3200, 3201, 3202 and 3203, all specimens must be collected by the participant (not purchased) from locations in Kansas, with the exception of Tri-State Mining Area specimens collected from these three adjacent counties: Ottawa County, OK; Newton and Jasper Counties, MO. Out of state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

Champion and Reserve Champion will be awarded in each section. Grand Champion and Reserve Grand Champion awarded overall.

Junior Division: ages 7-12

Senior Division: ages 13-18

Section 1-Geology

Class 3200 Geology Display 1 - at least 15 rocks, minerals, and fossils collected during the current 4-H year. Limited to one exhibit box. Only those exhibiting at the State Fair for the first time may enter this class.

Class 3201 Geology Display 2 - at least 30 different rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Limited to one exhibit box. This class open to those exhibiting either first or second time at State Fair.

Class 3202 **Geology Display 3** - at least 45 rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibit limited to two boxes. This class is open to those exhibiting either the third or fourth time at the State Fair. Identify rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have legible key.

Class 3203 **Geology Display 4** - at least 60 rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibit is limited to two boxes. This class is open to those exhibiting the fifth or more time at the State Fair. Identify rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have legible key.

Class 3204 **Geology Educational Exhibit** - Exhibit relating to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts or Indian artifacts. Exhibit limited to 4 feet of table space. Care should be taken to use durable materials that withstand fair conditions. Exhibitor may show in the class regardless of number of time he or she had exhibited at State Fair or whether exhibitor has entries in classes 3200, 3201, 3202, or 3203. Exhibitor may also exhibit in lapidary class.

Class 3205 **Mineralogy** - Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (i.e.: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (i.e.: CaCO_3 for calcite) if known.

Class 3206 **Fossils** - Display a minimum of 15 fossil specimens collected by the participant in Kansas, at least 5 of which have been collected during the current 4-H year. The fossils are to be grouped by Phylum and Class, and at least 3 phyla must be represented (Brachiopoda, Chordata, Mollusca, etc) The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen; date collected; county where collected; formation, member or source; phylum, class, and genus or part: and geologic age (Cretaceous, Permian, Pennsylvanian, etc) See #5 for additional fossil labeling expectations.

Class 3207 **Rocks** - Display a minimum of 15 rock specimens collected in Kansas, at least 5 of which have been collected during the current year. Rocks are to be grouped by the 3 rock classes (Sedimentary, Igneous and metamorphic). You must display at least one specimen from each of the three classes. The specimens must fit in one standard display box. Specimen labels must include a specimen number, the date collected, name of specimen, and the county where collected. All rocks must be identified by the formation and member name (Examples: Fort Hays Limestone, Member of the Niobrara Chalk Formation) or source (Examples: Rocky Mountain Outwash, glacial till).

Section 2 - Lapidary

The lapidary will be judged on the following criteria:

Workmanship and Content 60 points

Presentation and showmanship 30 points

Accuracy of information 10 points

All lapidary specimens should be labeled with the following information:

-Specimen name

-Place of origin (country, state, or county: county required for Kansas specimens)

-Purchased or self-collected

-Date lapidary treatment began

-Date lapidary treatment completed (treatment completed after the State Fair is considered a new year specimen)

Class 3210 **Lapidary Display 1** - at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of 'before and after', nor do they have to be self-collected. Locales must be identified. Only those exhibiting lapidary at State Fair for the first time may exhibit in this class.

Class 3211 **Lapidary Display 2** - before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-H'er collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.

Class 3212 **Lapidary Display 3** - before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least two varieties should be collected from the native site by the 4-H'er, at least one of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 3213 **Lapidary Display 4** - before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-H'er, at least two of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 3214 **Lapidary Display 5** - Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

Department 33 —

4-H SHOOTING SPORTS

Superintendents: Lydia Flax, Paula Shaw

Junior Superintendents:

Champion and Reserve Champion awarded in each age level.

Grand Champion and Reserve Grand Champion awarded

overall.

1. Exhibits in this division are open to educational displays or promotional posters. Follow copyright laws as you are preparing your exhibits. Take care to select durable materials to withstand Fair conditions. The education display must be standard trifold only, must not exceed the trifold. No additional table space will be available for promotional brochures or display items, content not to exceed display board borders. Failure to follow size limitations will drop ribbon placing one ribbon color. Promotional posters must be flat and no larger than 22" x 30".
2. No "live" ammunition containing propellant or explosive powders is prohibited. Artistic substitutes must be used in lieu of powder and "live" ammunition, label artistic substitutes on the back for clarification. Please remember that neither the Rush County Fair Board or the department of 4-H Youth Development, or K-State University Research and Extension are liable for any loss or damage of any personal property included as part of your display.
3. Exhibitor name, county/district, age and year in project should be on the front lower left of the poster, display or notebook.
4. Poster size must not exceed 22" x 30". Flat poster/foam core/cardstock board, trifold foam-core/cardboard, or shooting sports exhibit cases are all acceptable. Exhibits exceeding the size guidelines will be penalized one ribbon color.
5. Educational Displays will be judged on the following points:

Stopping Power.....	15 points
Interest & Holding Power.....	15 points
4-H Project Application.....	15 points
Mechanical Power.....	5 points
Personal Growth.....	25 points
Educational Value.....	<u>25 points</u>
TOTAL.....	100

6. Posters will be judged on the following points:

Stopping Power.....	30 points
Interest, Holding Power.....	30 points
4-H Project Application.....	25 points
Mechanical Power.....	<u>15 points</u>
TOTAL.....	100
7. Disciplines include BB, Air Rifle, Air Pistol, Archery, Shotgun, Hunting Skills, Muzzle Loading, Small Bore Rifle, Small Bore Pistol.

Junior Division: ages 7-12 Senior Division: ages 13-18

Class 3300 **Educational Display** - Must be directly related to the 4-H Shooting Sports project, standard tri-fold boards only, no larger than 3' x 4'.

Class 3301 **Promotional Poster** - Must promote 4-H Shooting Sports (Poster maximum size 22" x 30").

Class 3302 **Notebook** - Contents pertain to some phase, results, story or information about 4-H Shooting Sports. (No larger than 8 1/2" x 11")

Department 34 — 4-H AG MECHANICS

Superintendents: Mark Goodheart

Junior Superintendents: Logan Maier

Champion and Reserve Champion awarded in each age level. Grand Champion and Reserve Grand Champion awarded overall.

The Ag Mechanics exhibit area was a new STEM project for 2021. The project is starting with an emphasis on welding and smithing, it will expand as the project area grows.

This project allows youth to explore areas of ag mechanics and metallurgy from repairing or repurposing items to the fabrication of new items. The intent is for this program start with foundational areas, some of which youth may already have, and allow them to continue to build on this knowledge becoming more experienced.

1. 4-H members must be currently enrolled in the Kansas 4-H STEM – Ag Mechanics (Welding) project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibits must have been constructed or repaired during the current 4-H year.
3. Total exhibit dimensions should not exceed 3 feet high, by 3 feet wide, by 3 feet deep. Total exhibit weight may not exceed 150 pounds (movable by a team of 2 people)
4. Wheeled exhibits must utilize a breaking mechanism which prevents the exhibit from freely rolling while on display
5. Each exhibit must be free-standing or sufficiently supported by an exhibitor supplied support system that is moveable and is part of the total demission's and weight of the exhibit as described previously. Exhibit boards should have a portable and moveable base. No exhibits may be staked to the ground for display.
6. Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
7. Painting or spot painting is not allowed on projects after arrival on fairgrounds. If wet paint is detected by judges or superintendents one ribbon placing will be deducted.
8. Repair projects having adequate original finish need not be repainted.
9. Cutting surfaces, such as blades or knives, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam "pool noodles" and multiple layers of cardboard are acceptable.
10. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
11. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires.
12. Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch
13. If a safety violation is noted by the judges, superinten-

dent, or other staff, the exhibitor's exhibit, at the judges' discretion, will receive a deduction in ribbon placement or a participation ribbon.

14. The exhibitor's name(s) and county or district must be tagged or labeled in a prominent location on the display.
15. Each exhibit must include an Ag Mechanics information packet.
16. Each exhibitor is required to complete the "4-H STEM Ag Mechanics Exhibit Information Form" which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit.
17. Each exhibit information packet should include the following items:
 - a. Bill of materials for the project with associated costs, scrap items used may be listed as having a \$0.00 cost
 - b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state
 - c. If appropriate schematics or working drawings relating to the creation or repair
 - d. If appropriate operating instructions

Introductory - Level 1 classes

(about 1 - 3 years of experience)

This level is designed for youth with little to no exposure in the project area so that they can gain an understanding of basic principles and methods in the given area.

Experienced - Level 2 classes

(about 4 - 6 years of experience)

This level is designed for youth some experience in the project area allowing them to expand on common principles and methods in the given area.

Advanced - Level 3 classes

(about 7 - 9 years of experience)

This level is designed for youth with vast experience in the project area allowing them to master common principles and methods and expand on advanced techniques in the given area.

Master - Level 4 classes

(10 or more years of experience)

This level is designed for youth substantial experience in the project area allowing them to master advanced techniques in the given area.

Section 1 - Welding

Class 3400 **Welding display board** - a 3 foot by 3 foot display board with different pieces of metal attached illustrating different types of welds, each weld being labeled

Class 3401 **Level 1 Welding Ag Repair** - repair of ag equipment with welding

Class 3402 **Level 2 Welding Ag Repair**

Class 3403 **Level 3 Welding Ag Repair**

Class 3404 **Level 4 Welding Ag Repair**

Class 3405 **Level 1 Welding ag fabrication** - creation of new ag equipment with welding

Class 3406 **Level 2 Welding ag fabrication**

Class 3407 **Level 3 Welding ag fabrication**
Class 3408 **Level 4 Welding ag fabrication**
Class 3409 **Level 1 Welding general repair** –
repair of non-ag equipment with welding
Class 3410 **Level 2 Welding general repair**
Class 3411 **Level 3 Welding general repair**
Class 3412 **Level 4 Welding general repair**
Class 3413 **Level 1 Welding general fabrication** –
creation of non-ag equipment with welding
Class 3414 **Level 2 Welding general fabrication**
Class 3415 **Level 3 Welding general fabrication**
Class 3416 **Level 4 Welding general fabrication**
Class 3417 **Level 1 Welding artistic fabrication** –
creation of artistic or interpretive pieces with welding
Class 3418 **Level 2 Welding artistic fabrication**
Class 3419 **Level 3 Welding artistic fabrication**
Class 3420 **Level 4 Welding artistic fabrication**

Section 2 - Brazing

Class 3421 **Level 1 Brazing repair**
Class 3422 **Level 2 Brazing repair**
Class 3423 **Level 3 Brazing repair**
Class 3424 **Level 4 Brazing repair**
Class 3425 **Level 1 Brazing fabrication**
Class 3426 **Level 2 Brazing fabrication**
Class 3427 **Level 3 Brazing fabrication**
Class 3428 **Level 4 Brazing fabrication**

Department 35 - 4-H Architectural Block Construction

Superintendents: Jewell Dinsmore

Junior Superintendent: Aidan George, Preston Ross

Description: The STEM ABC exhibit area was a new STEM project for 2021. The project is starting with an emphasis on using architectural blocks (“Legos”) to construct diora-

mas. This project allows youth to explore architectural design in a three dimensional space. The intent is for this program start with foundational ideas of architecture, some of which youth may already have, and allow youth to continue to build on this knowledge becoming more and more experienced.

1. 4-H members must be currently enrolled in the Kansas 4-H STEM – Architectural Block Construction project to exhibit in this division.
2. Each exhibitor may enter six exhibits. Exhibits must have been constructed during the current 4-H year. Counties or districts should select only top blue or purple ribbon robot exhibits which meet State Fair guidelines.
3. Counties are limited to FOUR exhibits to the state fair to insure sufficient space for all exhibitors
4. Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep.
5. All exhibits should be placed in a sturdy see through enclosure with a top, bottom, and 4 sides. A fish tank would be an acceptable enclosure. This is to keep exhibit parts from being “scattered to parts unknown” at the fair. The outer dimensions of the enclosure are part of the total exhibit dimensions.
6. All components used in construction should be dust free, clean, free of chips, scuffs, or cracks
7. The primary building component should be interlocking blocks, commonly referred to by the brand name of Lego®
8. Other architectural components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks
9. The use of existing “store bought” sets for major architectural elements of the display is not allowed, use of figurines from sets is allowed as are using individual bricks to create something different than the architectural component of the set it came from.
10. Displays must have significant architectural components (walls, windows, doors, roofs, canopies flying buttresses, etc.), landscapes are discouraged.
11. Architectural elements should have a consistent look, walls with no pattern or consistency will be deducted one ribbon placing.
12. Gaps or cracks should not be visible between assembled blocks.
13. Doors should open and close, windows can be either fixed or open and close.
14. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method.
15. Reveals that show the inside of a structure are acceptable, such as only having three walls to allow an unobstructed view into a room.
16. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. If used judges should be able to use them and instructions should be provided for operation.

17. Artistic designs with no architectural design/components are not permitted and two ribbon placings will be deducted
18. The exhibitor's name(s) and county or district must be tagged or labeled in a prominent location on the display
19. Each exhibit must include an Architectural Block Construction information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
20. Each exhibitor is required to complete the "4-H STEM Architectural Block Construction Exhibit Information Form" which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit.
21. Each exhibit information packet should include the following items:
 - a. At least one drawing of the desired architecture on graph paper, multiple views (top, front, side) are preferred
 - b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state
 - c. If appropriate operating instructions for mechanical portions of the diorama

Class 3510 - Interlocking Brick (Lego) Diorama built from scratch (State Fair Eligible)

Class 3511— Interlocking Brick (Lego) built from a kit (County Fair Only)

Class 3512—Free Style, any other built Interlocking Brick (Lego) (County Fair Only)

Department 36 - 4-H Cloverbuds

1. All cloverbud entries will be displayed together and not in project departments.
2. Cloverbuds are 4-H members 5 and 6 years of age.
3. Cloverbuds will received a ribbon only. No premium paid on cloverbud entries.
4. Cloverbuds are allowed a maximum of 6 entries total in the fair.
5. Cloverbuds will have a consultative practice session with a designated teen beginning at 11 am on Wednesday.
